

Haile Gold Mine  
 Mine Permit Application to Modify Mine Permit I – 00601  
 December 2012 UPDATE  
 Table of Contents

Transmittal Letter

Application to Modify Mine Permit – DHEC Mining & Reclamation Form MR – 1300

(Submitted with Initial Application in 2010 – No changes are necessary. A new Form MR-1300 is not being submitted in this update.)

Application of Mine Operating Permit – DHEC Mining & Reclamation Form MR -400

(Updates discussed and reports listed where appropriate within the body of this Form MR-400 All reports being provided with this update will be on DVD in Portable Document Format (PDF)).

Reclamation Plan – DHEC Mining & Reclamation Form MR – 500

(Submitted with Initial Application in 2010 – No changes are being provided at this time. A new Reclamation Plan Form MR-500 is not being submitted in this update.)

**APPENDICES**

<b>Document</b>	<b>Appendix</b>
<b>USGS Topographic Map with Permit Boundary</b>	<b>A</b>
<b>A1</b> Project Boundary on USGS Map	
<b>Mine Maps</b>	<b>B</b>
<b>B1</b> Period Maps -- Year 0 through End of Mine Life; One Year Increments	December 19, 2012
<b>B2</b> Mine Plan Maps (T-Series) – Years 0, 3, 5, 8 & 14	December 19, 2012
<b>Reclamation Plan Maps (Two Sheets)</b>	<b>C</b>
<b>C1</b> Reclamation Maps 1 of 2	September 27, 2012
<b>C2</b> Reclamation Maps 2 of 2	September 27, 2012
<b>Names and Addresses of Adjacent Landowners w/Tax Map</b>	<b>D</b>
<b>D1</b> List of All Adjoining Land Owners	September 5, 2012
<b>D2</b> List of Adjoining Land Owners w/New Adjoining Land Owners Yellow Highlight	September 5, 2012
<b>D3</b> Property Map of All Adjoining Land Owners Rev. 2	September 5, 2012
<b>Letter from Attorney Attesting to Land Ownership</b>	<b>E</b>
<b>Haile Mine Geology w/Geologic Map</b>	<b>F</b>
<b>F1</b> Summary of Haile Mine Geology	
<b>F2</b> Haile Geologic Map 3	November 1, 2011
<b>Mining Method Description</b>	<b>G</b>
<b>G1</b> Mining Method Description Summary	November 27, 2012
<b>G2</b> Year-by-Year Mine Production and Operations	December 2012
<b>Mill Process Description</b>	<b>H</b>
<b>H1</b> Mill Process Description Summary	October 27, 2012
<b>H2</b> M3--Supplemental Analysis to the Mill Process Description and Process Flow Sheet	May 2011
<b>H3</b> Materials Safety Data Sheets (MSDS)	

## APPENDICES

<b>Document</b>	<b>Appendix</b>
<b>Reports and Maps for Groundwater Withdrawal Studies      DVD Only</b>	<b>I</b>
<b>I1</b> AMEC's Addendum to the Depressurization and Dewatering Feasibility Study    June 27, 2012	
<b>I2</b> AMEC Maps showing Estimated Draw Down Zones from Year 0 through Year 12    August 8, 2012	
<b>I3</b> AMEC Land Parcels within the Estimated One Foot Drawdown Zones for the Upper Bound Depressurization Model Results    August 12, 2012	
<b>I4</b> ERC Technical Memorandum    Haile Gold Mine – Predicted Indirect Impacts on Streamflows, Wetlands and Upland Vegetation from Depressurization and Other Site Activities    June 27, 2012	
<b>I5</b> Schlumberger Water Services' Documents submitted in Initial Application 2010	
<b>I5A</b> SWS - Groundwater and Depressurization Study - January 2011 Report	
<b>I5B</b> Draft Figure 6 Extent of Saprock Modeled Cone of Depression    November 2010	
<b>I5C</b> Draft Figure 5 Extent of CPS Modeled Cone of Depression    November 2010	
<b>Archaeological Investigation Reports      DVD Only</b>	<b>J</b>
<b>J1</b> Southeastern Archaeological Services, Inc.- An Intensive Cultural Resource Survey of the Haile Gold Mine, Lancaster and Kershaw Counties, SC    April 29, 1993	
<b>J2</b> PRI - Archaeological Testing & Evaluation of Six Sites in the Haile Gold Mine Tract, Kershaw, SC – August 5, 2009	
<b>J3</b> New South Assoc.-Archaeological Identification and Boundary Delineation for the Leach Cemetery (38LA318) – June 18, 2010 Draft Report	
<b>J4</b> PRI - Archaeological Testing & Evaluation of Four Sites in the Haile Gold Mine Tract, Kershaw, SC – August 23, 2010	
<b>J5</b> New South Assoc. Quarries, Blanks, and Bifaces: Data Recovery Excavations at Sites 38LA33 and 38LA355, Volume 1    June 24, 2011	
<b>J6</b> New South Assoc. Quarries, Blanks, and Bifaces: Data Recovery Excavations at Sites 38LA33 and 38LA355, Volume 2 Appendices    June 24, 2011	
<b>J7</b> New South Assoc. Cultural Resources Survey of Approximately 1,003 Acres: Haile Gold Mine    July 15, 2011 Revised Draft Report	
<b>J8</b> New South Assoc. Addendum Report: Cultural Resources Survey of Approximately 1,161 Acres: Haile Gold Mine    December 15, 2011 Final Report	
<b>J9</b> New South Assoc. Occupation, Reoccupation: Data Recovery Excavations at Sites 38LA291 and 38LA361 – February 1, 2012 Final Report	
<b>J10</b> R.S. Webb – Phase I Cultural Resources Survey 145-Acres Haile Gold Mine Holdings    February 28, 2012 Final Report	
<b>J11</b> New South Assoc.-Gold Mining in the Carolinas – A context for Archaeological Resources Management – March 31, 2012 Final Report	
<b>J12</b> New South Assoc.-History and Archaeology of the Haile Gold Mine Stamp Mill (Site 38LA383) – March 31, 2012 Final Rpt	
<b>J13</b> New South Assoc.- Stamp Mill of Haile Gold Mine Site 38LA383 – March 31, 2012	
<b>J14</b> R.S. Webb – Phase I Cultural Resources Survey of 553-Acres at Haile Gold Mine    March 29, 2012 Draft Report	
<b>J15</b> R.S. Webb – Phase II Archeological Investigations at 13 Sites    July 9, 2012 Draft Report	
<b>J16</b> School Shed Memorandum from J. Pappas (Romarco) to R. Darden (USACE) dated September 24, 2012	
<b>Wildlife and Aquatic Resource Assessments Reports      DVD Only</b>	<b>K</b>
<b>K1</b> Arcadis –Ecological Risk Assessment for the Proposed Future Ledbetter Pit Lake    April 30, 2012	
<b>K2</b> Arcadis - Spring 2012 Aquatic Resources Surveys Report    June 19, 2012	
<b>K3</b> Arcadis - Aquatic Impact Assessment for Stream Resources at the Haile Gold Mine Site    June 28, 2012	
<b>K4</b> Arcadis - Terrestrial Wildlife Impact Assessment for the Haile Gold Mine Site    June 28, 2012	

## APPENDICES

<b>Document</b>	<b>Appendix</b>
<b>Wildlife and Aquatic Resource Assessments Reports DVD Only (Continued)</b>	<b>K</b>
<b>K5</b> Arcadis - Memorandum to Johnny Pappas (Romarco) from Penny Hunter (Arcadis) on Potential for Herptile Species Occurrences in the Haile Gold Mine Project Area August 9, 2012	
<b>K6</b> Arcadis - Comprehensive Baseline Wildlife & Aquatic Resources Report for the Haile Gold Mine Site, Revised July 20, 2012	
<b>Rare Plant Surveys Reports DVD Only</b>	<b>L</b>
<b>L1</b> DuMond -- Surveys Intermediate List of Vascular Plant Species – APPENDIX A – 2008-2010	
<b>L2</b> DuMond -- Technical Memorandum Addressing Occurrences of Rare Plant Species of Kershaw and Lancaster Counties at Haile Gold Mine Properties - May 29, 2012	
<b>L3</b> DuMond -- Technical Memorandum Addressing Potential Occurrences of Federally Threatened, Endangered and Candidate Plant Species at Haile Gold Mine Properties – May 29, 2012	
<b>L4</b> ERC Technical Memorandum Final Rpt on Vegetation Assessments and Projected Impacts to Vegetation June 4, 2012	
<b>L5</b> ERC - Vegetative Community Mapping Report -- January 6, 2012	
<b>L6</b> ERC – Vegetation Disturbance Mapping <u>Projected</u> Vegetation Impacts June 4, 2012	
<b>Sound-Noise Evaluations &amp; Blasting Impact Analysis Reports DVD Only</b>	<b>M</b>
<b>M1</b> STS - Sound Evaluation and Analysis September 1, 2011	
<b>M2</b> Vibra-Tech Engineers, Inc. Blasting Impact Analysis June 27, 2012	
<b>M3</b> Vibra-Tech Engineers, Inc. Noise Impact Analysis June 27, 2012	
<b>Tailings Storage Facility Design Reports DVD Only</b>	<b>N</b>
<b>N1 – N12</b> AMEC - Tailings Storage Facility Detailed Design w/Appendices August 21, 2012	
<b>N13</b> AMEC TSF Fluid Capacity Technical Memorandum July 7, 2011	
<b>N14</b> AMEC Earthquake Epicenters March 27, 2012	
<b>Hydrologic Characterization Reports DVD Only</b>	<b>O</b>
<b>O1</b> AMEC -- Addendum to the Baseline Hydrologic Characterization Report -- June 27, 2012	
<b>O2</b> Schlumberger Water Resource Services' Haile Gold Mine Hydrologic Characterization Report November 2010	
<b>Haile Gold Mine Lancaster County, SC Report on Feasibility Level Pit Slope Evaluation</b> (Report submitted with 2010 Application – No changes or addendums submitted in this application revision.)	<b>P</b>
<b>Schafer Limited LLC – Geochemistry Reports DVD Only</b>	<b>Q</b>
<b>Q1</b> Schafer --Haile Gold Mine Baseline Geochemistry Report October 2008 with November 2010 revisions	
<b>Q2</b> Schafer -- Haile Gold Mine Addendum to Baseline Geochemistry Report November 2010	
<b>Q3</b> Schafer -- Haile Gold Mine Overburden Management Plan November 2010	
<b>Q4</b> Schafer -- Haile Gold Mine Second Geochemistry Baseline Addendum w/March 2012 Rev	
<b>Q5</b> Schafer -- Memorandum on Geochemistry for Tailings Alternative Study -- May 4, 2012	
<b>Q6</b> AMEC – Technical Memo on the Preliminary Evaluation of Separate Tailings Storage Facilities for Leach Flotation Concentrate and Leached Flotation Tailing – May 8, 2012	
<b>Q7</b> M3--Concentrate Separation Scoping Evaluation – May 24, 2012	
<b>Land Entry Agreements Hard Copy Only</b>	<b>R</b>
